Greetings parents, New enrolments

I have been hearing that there are many 5 year olds in our community who are looking at attending in the new year but haven't yet been placed on our roll. Please, it is important to our funding that we are prepared to accept you children and have the necessary people on the ground that are needed to ensure this. Please come in and enrol your child now so that we are able to plan for your child to start with us. I can be contacted on this number 021888339 if you would like to speak to me personally and set up a meeting.

Disco Invitation to other friends or family members

Students are encouraged to invite other family members and friends to this event.

School Children's Mass

Below is a special attendance form for us to know who will be attending so that we can include them in our preparation. Please send back to the class teacher as soon as you can. All students are required to fill this in as this is an important event. Whilst we want our students attending the disco, we need to know they will be there at our mass as well. If not we may need to cancel the event (the disco that is not the mass).

FATHER JOHN'S DAY 29TH NOVEMBER

On this day we will be going up to the cemetery to visit the graves of the past Priests that have been involved in our school and church. Please come if you would like to come. This will be in place of our morning Liturgy. We need parent help. If it is raining we will be postponing it to the nearest possible time we can do it. Come walk with us at 9.00am at school.
