Have you ever wanted the chance to actually decide what your child learnt in the classroom?

Have you ever wondered what it would be like for your child to learn about something that they were actually already interested in?

***We are giving you this chance*** on this night to define what you would like your child to learn.

***We are giving your children a chance*** to define what they would like to learn.

We want our curriculum to be one that is relevant to the needs and wants of our students and your children.

We want our curriculum to be one that strengthens our Catholic traditions, practises and beliefs.

We want our curriculum to be one that celebrates cultural difference and similarities.

We want our curriculum to be one that grows strong, resilient and life long learners.

Come and be part of our curriculum defining night.
